

terminology

Epic

Big chunk of work, That has common objective. So because of that, Epic must be composed to **User story**.

Size = big , large Might take 15 points

User story

User story is the smallest unit of work

And must be :

- INDEPENDENT
- NEGOTIABLE
- VALUABLE
- ESTIMABLE
- SMALL
- TESTABLE

also there's a questions that must be asked if you didn't answer them the item we'll be useless.

- who
- what
- why

Size = small
